## 2024 ARCTIC WINTER GAMES

### 1. Introduction

Technical Packages are critical guiding documents that assist Host Societies as they coordinate all sport competition (including competition formats, rules and procedures) and Mission Teams as they coordinate their teams' participation (including athlete eligibility, categories and team composition). Every Games' Host Society and Participating Unit's Mission Team, Coaches and Managers have an obligation to read and understand every aspect of the Technical Package. Should a need for clarification arise, questions should be directed through the Participating Unit's Chef de Mission for review and response by the Arctic Winter Games International Committee (AWGIC) Technical Director and Technical Coordinator.

### 2. Rules

This competition will be conducted under the rules of the [Futsal Laws of the Game](#) produced by the Fédération Internationale de Football Association (FIFA) as published on January 1 of the year of the Games, except as modified by the AWGIC. ### 3. Sanction

The competition will be conducted under the [rules and sanction of FIFA](#) as published on January 1 of the year of the Games, unless otherwise approved by the AWGIC. Where possible, the Host Society should explore sanctioning under their jurisdiction's sport governing body (e.g., Canada Soccer). Should a competition be granted sanction, the Host Society will communicate said sanction to all Participating Units, including the conditions of the sanction that may or may not differ from the International Federation's (IFs) rules and sanction.

### 4. Participants

Each Participating Unit may enter a team comprised of a maximum of nine (9) players and two (2) coaches per team as listed below. All age categories are based upon an athlete's age as of December 31 prior to the Games.
