## Age Class Naming Convention

### Appendix D – Age Class Naming Convention

#### 101. Age Class Naming Convention

Arctic Winter Games age classes are named according to this formula:

“U” followed by a number equal to 1 plus the age in years, on December 31 of the calendar year prior to the Games, of an athlete born in the earliest year of eligibility for that class

Example: oldest year of birth for class “x” = 2007

Age of a person born in 2007 on December 31, 2025 = 18 years old

$1 + 18 = 19$

“U” + “19” = Age class name is U19.
