22. Mercy Rule

- 22.1. At any point where the goal differential is seven (7) goals or more the remainder of the game may be played as running time.
- 22.2. If the goal differential is reduced to six (6) goals or less the remainder of the game will be played as “stopped time”.
- 22.3. In all Games where the final score spread is seven (7) goals or more, the winning team shall receive a +7 differential in the posted score and results regardless of the actual score. The +7 differential will also apply to any tie-breaking situations that may arise.

24. Fighting

- 24.1. A match penalty shall be assessed any player who is identified by the referee as the instigator or aggressor in a fight. The opposing player may then be assessed a match penalty if they fight back or continue the altercation, a minor penalty for roughing or no penalty at all depending on circumstances.

- 26.1. The team(s) with more wins shall be placed ahead of the team(s) with fewer wins;
- 26.2. If teams have the same number of wins, then the result of the round robin game(s) between the tied teams will apply. The team with the better record (points) in the game(s) between the tied teams will be placed higher;
- 26.3. If teams are still tied after (a) and (b) then the team with the best goal average would place higher. The goal average of a team is to be determined in the following manner: Total number of goals for divided by the total number of goals for and against (this includes goals in all games played by the team in the round robin). In Games where the mercy rule (Section 7, Subsection C) is applied, the winning team shall receive a +7 differential regardless of the actual score. Attachment ‘A’ provides an example of how this is determined;
- 26.4. If teams are still tied after the above (i-iii) then the team with the least number of minutes in penalties throughout all of the round robin games, gains the higher position;
- 26.5. If teams are still tied after the above (i-iv) then the team which scored the first goal in the game between the tied teams gains the higher position;
- 26.6. If teams are still tied after the above (i-v) then a single coin toss will determine which team gains the higher position.
See attached table.

Appendix D

Age Class Naming Convention

Appendix D – Age Class Naming Convention
