Age Class Naming Convention

Appendix D – Age Class Naming Convention

101. Age Class Naming Convention

Arctic Winter Games age classes are named according to this formula:

“U” followed by a number equal to 1 plus the age in years, on December 31 of the calendar year prior to the Games, of an athlete born in the earliest year of eligibility for that class

Example: oldest year of birth for class “x” = 2007

Age of a person born in 2007 on December 31, 2025 = 18 years old

$1 + 18 = 19$

“U” + “19” = Age class name is U19.

Appendix F – Eligibility and Age Requirements

Preamble:

The Arctic Winter Games combine athletic competition, cultural exchange and social interaction among northern contingents. Purpose:

This policy provides direction and guidance to the participating contingents when selecting athletes, cultural and youth ambassador program participants for their teams.

The AWGIC board, membership, and stakeholders remain committed to ongoing collaboration and monitoring developments within the global sport community. While remaining true to its core values of respect and a participant-centred approach, the AWGIC will continue to act with integrity and be accountable for its decisions.
